4th October 2020

Dear Parents / Carers

Unfortunately a person in the Reception bubble has had a positive test for COVID-19. We have a plan in place to deal with this eventuality.

- All children in Reception must self-isolate and can return to school on **Tuesday 13th October**
- Families do not need to self-isolate but must monitor for symptoms
- Siblings can attend school as usual - the rest of school is unaffected and will continue as normal.

Home Learning
The school will provide work for your child to do at home during the period of self-isolation. Please use Reception year group class page to access this learning.

If you do not have access to I.T. we will provide work books and work sheets. Please let us know if you require work to be sent home in this way.

Class teachers will keep in touch and provide support with the home-learning packages.

We are sorry to have to take this action and understand the disruption that this will cause to your family. We hope that you recognise that we have to follow our plan which has been informed by guidance from Public Health England.

Yours sincerely

Mrs G Emsley
