Yesterday you made inferences using this illustration.

What do you think will happen?

Does it remind you of any other stories?

Where do you think it is set?

Where do you think the people are going?

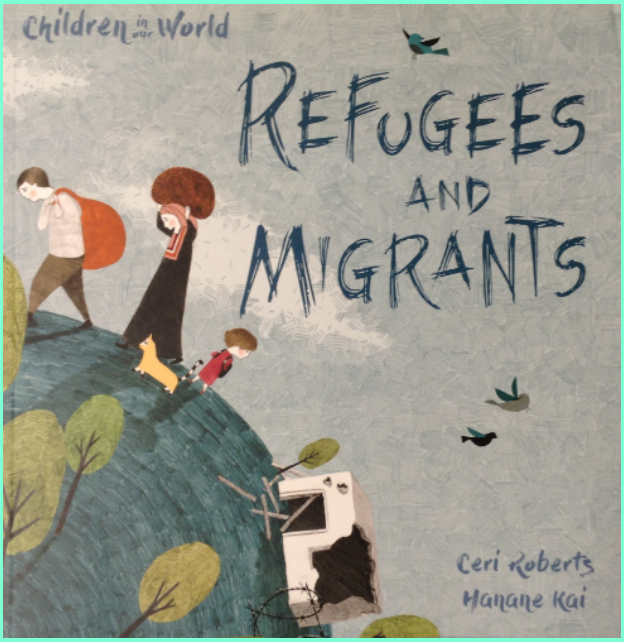

What are they carrying?

What is the child thinking?

How is the child feeling? What makes you think this?

What may have happened to the building?

What do you think the title of the book is?

This is the title

and the author and illustrator of the book
