LO:To investigate and describe how fruits taste.

LO: To investigate what fruits are available in supermarkets

What is healthy eating?

How do we know?

What work have we done already on this?

What is the largest part?

What fruits do you know of?

What fruit can we buy in the supermarket?

We are going to try some of these fruit and see what we think of them.

We will describe them by what they look like, smell like and taste like.
