LO: To plan a wish story

Watch this:

How to catch a star - Oliver Jeffers

https://www.youtube.com/watch?v=57RBxWQFX74

You are going to plan your own 'wish' story and YOU are going to be the main character!

If you could wish for anything - what would you wish for?

How could you make a wish?

Find the end of a rainbow

Catch a star/First star in the sky

Find a genie in a bottle

Find a penny

Throw a gold coin into a fountain

What **good** things could happen if your wish came true?

What **bad** things could happen if your wish came true?

How can you reverse your wish?

Use the template to plan your story
