LO: to write sentences

Read the poem out loud with your partner.

Use expression.

I do

Last night I had the strangest dream
I ever dreamed before
I dreamed the world had all agreed
to put an end to war

How is this first verse written?

Is each line a full sentence? (A complete thought)

I do

Last night I had the strangest dream
I ever dreamed before.
I dreamed the world had all agreed
To put an end to war.

Which parts would we put together to make a full sentence?

Write that in one sentence with a capital letter and full stop.

I do

Last night I had the strangest dream I ever dreamed before. I dreamed the world had all agreed to put an end to war.

What happened to some of the letters? How did they change?

Now try this verse.

We do

- Say the lines out loud
- Where does the thought end?
- Where should the full stop go?
- Now we need a capital letter
- Write the sentences

I dreamed I saw a mighty room .

The room was filled with men

a ~~A~~ And the paper they were signing said

t ~~T~~ They'd never fight again.

Can we use 'and' to start a sentence?

I dreamed I saw a mighty room .

The room was filled with men

a ~~A~~nd the paper they were signing said

t ~~T~~hey'd never fight again.

You do

- Say the lines out loud
- Where does the thought end?
- Where should the full stop go?
- Now we need a capital letter
- Write the sentences

And when the papers all were signed
And a million copies made
They all joined hands and bowed their heads
And grateful prayers were prayed

You do

- Say the lines out loud
- Where does the thought end?
- Where should the full stop go?
- Now we need a capital letter
- Write the sentences

And the people in the streets below
Were dancing round and round
And guns and swords and uniforms
Were scattered on the ground
