

6.11.2020

MOS: Counting forwards and backwards in 2s

LO: To subtract (2digits -1digit Exchanging)

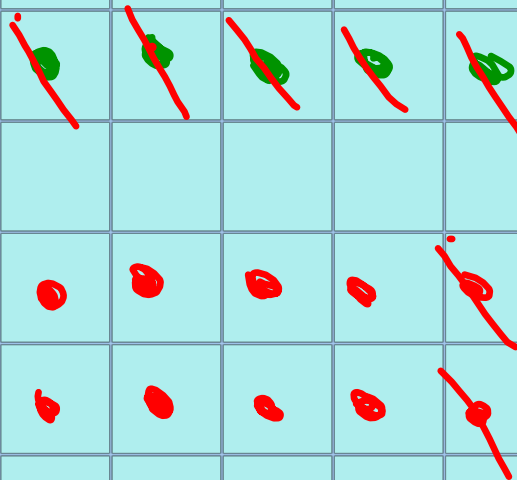

Regroup

I do

$$\textcircled{7} \underline{5} - \textcircled{7} = 68$$

tens

ones

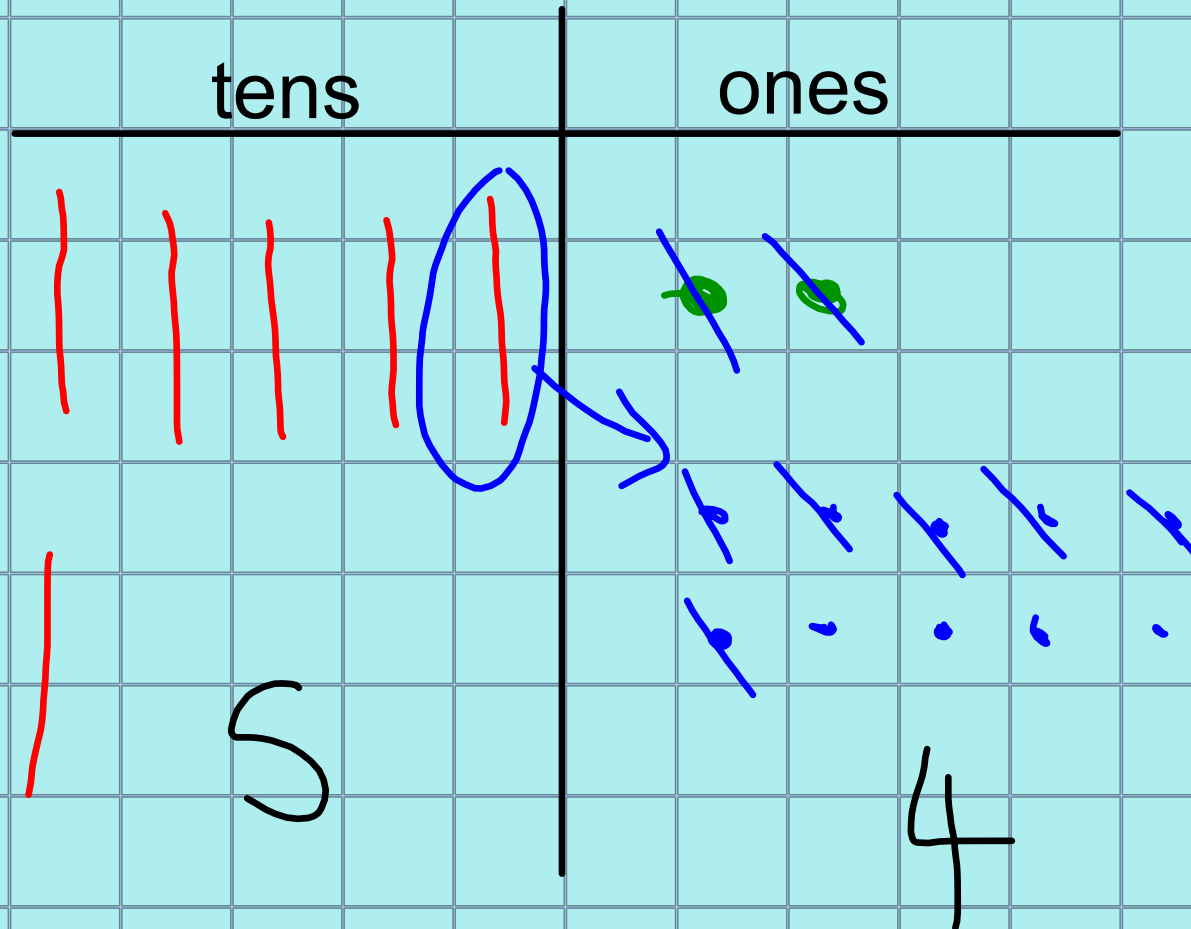

6

8

We do - whiteboards

$$\textcircled{6} \text{ 2 } - \text{ 8 } = 5 \text{ 4}$$

We do - books

$$43 - 9 =$$

tens

ones

You do - Books

$$63 - 8 =$$

tens

ones

Complete these subtractions

$$55 - 7 =$$

$$36 - 9 =$$

$$24 - 5 =$$

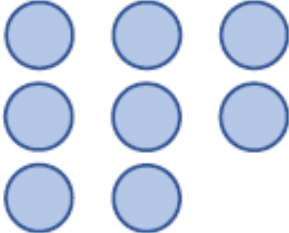

$$42 - 7 =$$

$$25 - 8 =$$

$$33 - 5 =$$

5a. Use the equipment to work out:

$$48 - 9$$

T	O
	

7a. Circle the correct answer to the subtraction calculation:

$$86 - 7$$

81

78

80

79

Use the equipment to help.

T	O
  	  
  	  
 	

8a. Write the number sentence $43 - 5$ as a column subtraction and calculate the answer. Use the equipment to help.

T	O

Challenge

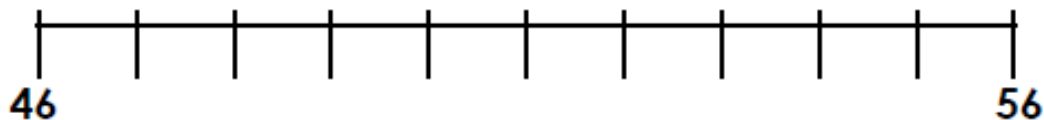

6a. Use the counters and number line to help you find the odd one out.

A. $56 - 9 = 49$

B. $56 - 7 = 49$

C. $56 - 8 = 48$

T	O
	
	
	

Explain your reasoning.
