

To write sentences using expanded noun phrases from the pictures in the story

Remember - adjectives can describe:

- colour
- material
- size
- shape
- how something feels (touch)
- How someone is feeling (emotions)

What is an expanded noun phrase?

a noun (object) that has been expanded by describing it.

a horse - noun

a brown horse - noun phrase (more than 1 word)

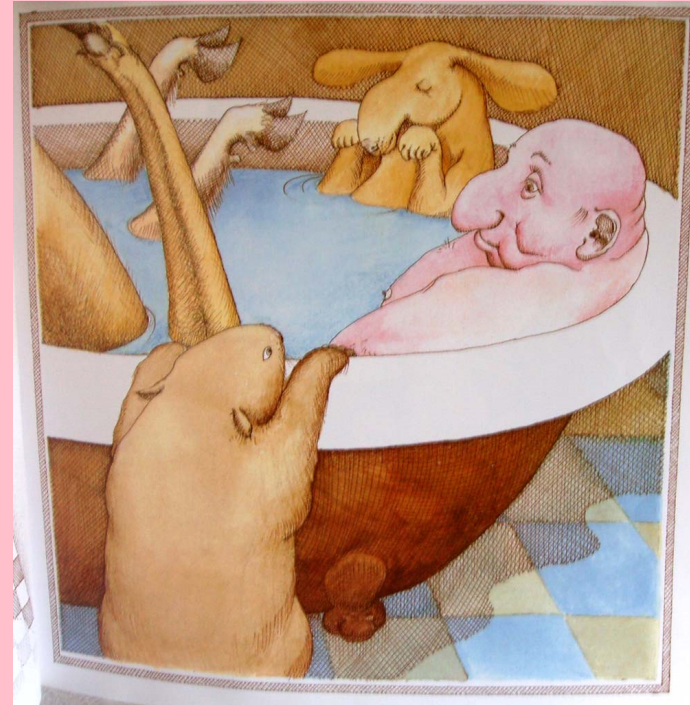

a tall, brown horse - expanded noun phrase
(2 or more describing words)

the blue, sparkly water

What expanded noun phrases did we use last week to describe these animals?

What did you write about these pictures?

Now let's put them into sentences

The brown, furry kangaroo

What is the animal doing?

The brown, furry kangaroo was jumping.

The brown, furry kangaroo was looking at the water.

Pick an expanded noun phrase.

Think what the animal/object is doing.

Write a sentence.

Add a conjunction.
