LO: To research three migrating animals

I do

We are going to try and research a migrating animal.

What do we need to find out - Use our Good Example for ideas

Sea animal

What do they look like?

Where do they spend spring/summer?

What do they do there?

Why do they migrate?

How do they migrate?

Where do they go?

What do they do there?

Land animal

What do they look like?

Where do they spend spring/summer?

What do they do there?

Why do they migrate?

How do they migrate?

Where do they go?

What do they do there?

Air animal

What do they look like?

Where do they spend spring/summer?

What do they do there?

Why do they migrate?

How do they migrate?

Where do they go?

What do they do there?
