In the beginning

By Steve Turner

God said world

and the world spun round

God said light

and the light beamed down

God said night

and the sky went black

God said land

and the sea rolled back

God said leaf

and the shoot pushed through

God said fin

and the first fish grew

god said beak

and the bright bird soared

god said fur

and the jungle roared

god said skin

and the man breathed air

god said bone

and the girl stood there

god said good

and the world was great

god said rest

and they all slept late
