23

74

65

Now, let's order them

We do

Can we add these numbers to the number line?

12

32

81

Now, let's order them

You do

Add the numbers to the number line.

Then underneath, order them.

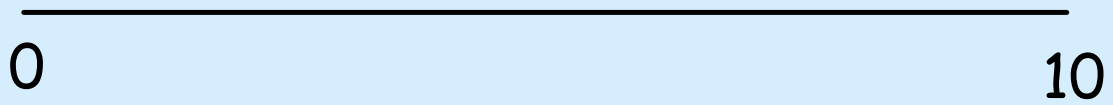

I do

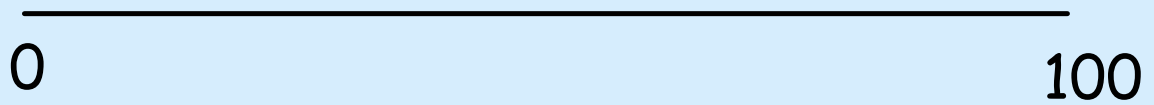

Where would the number 5 go?

I do

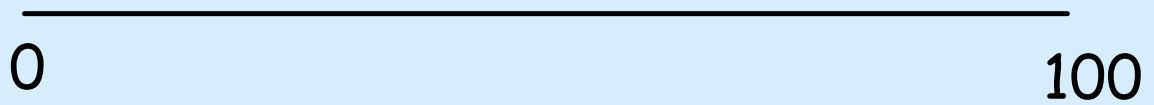

Where would the number 8 go?

We do

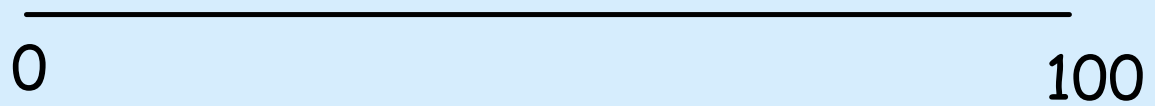

Where would the number 50 go?

We do

Where would the number 30 go?

You do

On the number line show the numbers:

20 40 70

Challenge

Look at lines A, B and C. Estimate how long they are by comparing them to the 100cm lines?
