LO: To identify adverbs for description

What is an adverb?

An adverb describes an action. It tells you where, why or how much something is done.

Today we are going to be looking at the adverb using the suffix ly

Let's read the first animal in our Good Example together and see if we can spot any adverbs.

Read through the rest with your partner and see how many more adverbs you can find.

Have a look at the list of adverbs on the mat

Finish these sentences and include an adverb

The hummingbird was flying

The caribou walked
