

To match Bradford locations with their economical purpose

Which words above are difficult?

What does the word 'economy' mean?

the careful use of money, resources, and means of production.

the system of how money is made and used within a particular country or region. A region's economy is connected with things like how many goods and services are produced and how much money people can spend on these things.

Bradford has a wide economy.

It has money spent in lots of different areas.

Things are also made in Bradford.

In RE we talked about the Tax Collector.

What did he do?

Where does our Tax go now?

How do we get money for tax?

How does it go to the tax man?

How is it spent?

How does all this make up the economy?

What is this building?

What is it used for?

How does it help our economy in Bradford?

What is this building?

What is it used for?

How does it help our economy in Bradford?

How does it help our economy in Bradford?

Alhambra - Brings visitors to the town. People spend money in the town and at the theatre. It gives people jobs on stage and in the cafe / shops.

National Media Museum - Children go there on school trips. People can learn things. It stores old resources and artefacts to help people learn. The government pays for this with contributions. It brings people to the City.

Bank - This is where people store their money. When they get paid their money is stored here and then it can be spent. It also creates jobs for people to look after the money.

Centenary Square - People come to the restaurants to eat and drink. They meet with their friends in their own time and spend money here. People have jobs in the bars and restaurants.

Broadway - This shopping centre creates lots of jobs for people so that they can pay their bills and their own tax. It is also where we can go to buy our nice things and spend our own wages on.

City Hall - Where the MPs work. They make all the decisions about where our tax money gets spent. They decide where it is needed. They also help to make sure our roads and villages have everything they need.

Hospital - Money from people's wages goes to the government to pay for our hospitals so when we go we don't have to pay anything. We get help for free. Money from all the other businesses helps us to stay healthy.

Choose some of the buildings and write about how they support the economy.
