LO: to explain how and why an animal migrates

We are going to look at some of the animals from our book.

Who is the author?

I do

Read the page about the Humpback Whale P10-11

What does the animal look like?

Where do they start their journey?

What season is it?

Where and how do they migrate to?

What season is it?

Why do they migrate?

I do

We do

Read the page about the Ruby-throated Hummingbirds P20-21

What does the animal look like?

Where do they start their journey?

What season is it?

Where and how do they migrate to?

What season is it?

Why do they migrate?

We do

You do

Read the page about the Caribou P46-47

What does the animal look like?

Where do they start their journey?

What season is it?

Where and how do they migrate to?

What season is it?

Why do they migrate?

You do
