L.O. To say why we have rules also how, why and who helps us keep safe

Talk patners and whiteboards

What rules can you think of ?

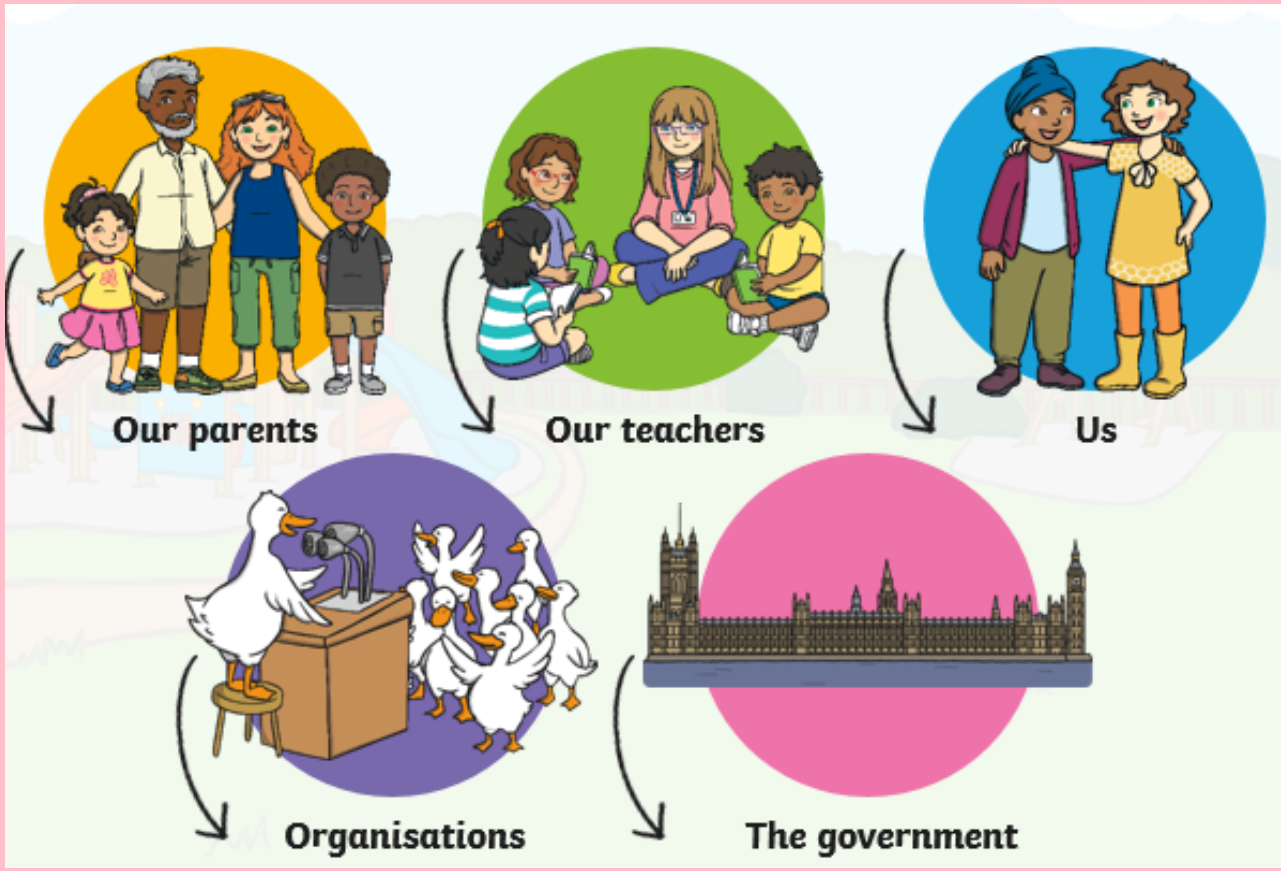

Why are rules important?

What would happen if we didn't have any rules?

If we didn't have rules and everyone could do whatever they wanted, there would be chaos.

Who makes the rules?

Watch this video on rules (only watch up to 2 minutes 50)

https://www.youtube.com/watch?v=CqH2QYt6oOc

In pairs can you think of rules around these (only chose 1):

medicines/ household product ie bleach

roads

cycling

fire

online

water

Share with the class

now create a poster to explain how to keep yourself safe.

Remember;

Make it eye catching and interesting.

use words and pictures

include lots of facts and any emergency services or help that may be needed

Have a go at this!
