LO: to answer literal retrieval questions

What do we know about the book?

What questions can we answer?

What is the title?

Who is the author?

Find and copy 2 materials things are made from

I do

That's right. Quick question: do you ever think about what things are made of?

Because some things are made of paper, like this book. Some things are made of wood. Or metal. Or glass.

Where is plastic?

We do

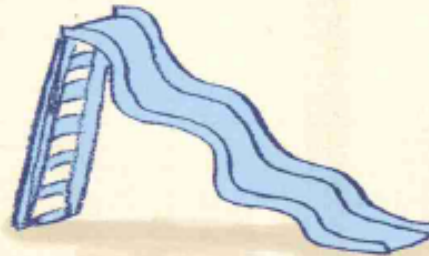

Isn't plastic **FANTASTIC!** It comes in lots of different shapes, sizes and colours.

Sometimes
it's bendy.

sometimes
it's hard.

Sometimes
it's big.

and sometimes
it's really really tiny.

If you look around you, plastic is **EVERYWHERE.**

But where does all this

You do

Find and **Copy one** word that tells us the author thinks plastic is great

Where did paper come from?

You do

Find and **copy two** things that plastic can be made into|

1. _____

2. _____

What happens to a leaf after 6 months?

	True	False
Leaves take one month to biodegrade		
Plastic ends up in the ocean		
We have always had plastic		
Plastic is made naturally		

For the false statements, write a statement that is true.
