Why does Easter matter to Christians?

What will we learn?

In RE we will be learning all about Easter. Why and what is important to Christians? Is it all about chocolate eggs? We will be looking at the events in the Holy Week before Easter and why they are so significant. We will look at the clear messages in the bible about forgiveness and think about what that means for us today.

How will you celebrate Easter? Do you know why there is a cross on a hot cross bun?

What do you already know about the Easter story? Is it a sad or happy story? Why?

Jesus is crucified

The last supper

Christians believe everyone can have a fresh start, just like the soil gaining new seeds when watered.

Should we always forgive others? Even when it's really difficult?

How does the story of Heaven by Nicolas Allen relate to Jesus' resurrection?

Jesus rising from his tomb shows Christians that after they die, they can also have a new life, a life with God in heaven.

Mar 12-15:41

Beliefs about life after death is different for everyone.

Christians believe that if you trust God, there is another life after this life, in heaven with God.

Christians showed that there is life after death by coming alive again after he was killed on the cross at the first Easter.

Christians believe Jesus was able to come back to tell his disciples, because he was God in the flesh (incarnation).

No one knows exactly what heaven is like,
