

Westlife -I'll see you again

Always you will be part of me
And I will forever feel your strength
When I need it most
You're gone now, gone but not forgotten
I can't say this to your face
But I know you hear

I'll see you again
You never really left
I feel you walk beside me
I know I'll see you again

When I'm lost, I'm missing you like crazy
And I tell myself I'm so blessed
To have had you in my life, my life

I'll see you again
You never really left
I feel you walk beside me
I know I'll see you again

When I had the time to tell you
I never thought I'd live to see the day
When the words I should have said
Would come to haunt me
In my darkest hour I tell myself
I'll see you again

I'll see you again
You never really left
I feel you walk beside me
I know I'll see you again

I'll see you again
You never really left
I feel you walk beside me
I know I'll see you again

I will see you again
I'll see you again
I miss you like crazy
You're gone but not forgotten
I'll never forget you
Someday I'll see you again
I feel you walk beside me
Never leave you, yeah
Gone but not forgotten
I feel you by my side
No this is not goodbye

Vera Lynn- We'll meet again

We'll Meet Again
Don't know where, don't know when
But I know We'll Meet Again
Some sunny day
Keep smiling through
Just like you always do
'Till the blue skies drive the dark clouds far away

So will you please say hello
To the folks that I know
Tell them I won't be long
They'll be happy to know
That as you saw me go
I was singing this song

We'll Meet Again
Don't know where, don't know when
But I know we'll meet again
Some sunny day
We'll Meet Again
Don't know where, don't know when
But I know we'll meet again
Some sunny day
Keep smiling through
Just like you always do
'Till the blue skies drive the dark clouds far away

So will you please say hello
To the folks that I know
Tell them I won't be long
They'll be happy to know
That as you saw me go
I was singing this song

We'll Meet Again
Don't know where, don't know when
But I know We'll Meet Again
Some sunny day

Robbie Williams- Angels

I sit and wait
Does an angel contemplate my fate
And do they know
The places where we go
When we're grey and old
'Cause I have been told
That salvation lets their wings unfold

So when I'm lying in my bed
Thoughts running through my head
And I feel the love is dead
I'm loving angels instead

And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call, she won't forsake me
I'm loving angels instead

When I'm feeling weak
And my pain walks down a one way street
I look above

And I know I'll always be blessed with love
And as the feeling grows
She breathes flesh to my bones
And when love is dead

I'm loving angels instead

And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call, she won't forsake me

I'm loving angels instead

And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call, she won't forsake me
I'm loving angels instead
