Today we are going to analyse the illustrations in the text closely so that we have a better understanding of the story and characters.

We will do this by focusing on the following:

Events

Feelings

Authors purpose

Language

Own experiences

do

What do we know about Cicada?

Who is telling the story?

How does Cicada feel?

Why has the author chosen to show us his cubicle?

Have you ever felt like Cicada?

What have we learnt about how he is treated?

Where is Cicada in the picture?

Who are human resources?

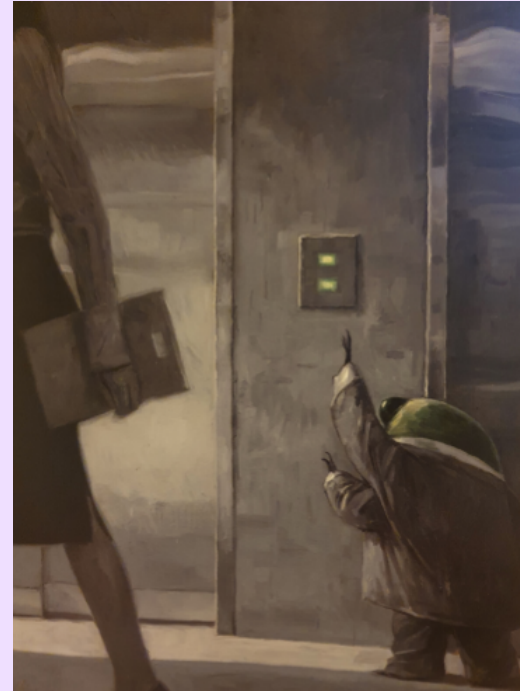

What is a promotion?

We can't see anyone's face, what effect does this have on you?

Have you ever been refused support/help?

I
do

What has Cicada described?

Why can't he share the toilet with his coworkers?

Why does the company dock pay?

How does this picture support the text and make us feel sorry for Cicada?

Would it be fair if I didn't let you use the toilet in school and you had to walk home to go?

What is Cicada doing?

Why doesn't he get thanked?

Why has the illustrator zoomed out so far in the image to show the maze of cubicles around him?

How does this make you feel?

How would you feel in his shoes?

Discuss with your partner.

Ensure you are using full sentences
