# Class Pet Pie Charts

I can draw pie charts.

This table shows the pets that the children in Year 6 have at home.

Complete the table to convert the data to degrees, then draw a pie chart to represent this data.

| Pet | Number of Children | Convert to Degrees |
|---|---|---|
| cat | 15 | |
| rabbit | 10 | |
| gerbil | 12 | |
| tortoise | 20 | |
| spider | 3 | |
| **Total** | | **360°** |

Title: _____
