

Our vision:

Christian Aid is a Christian organisation that insists the world can and must be swiftly changed to one where everyone can live a full life, free from poverty. We provide urgent, practical and effective assistance where need is great, tackling the effects of poverty as well as its root causes. Christian Aid has a vision - an end to poverty - and we believe that vision can become a reality.

Our purpose:

- to expose the scandal of poverty,
- to help in practical ways to root it out from the world
- change structures and systems that favour the rich and powerful over the poor

Our beliefs:

- Christian Aid's work is founded on Christian faith, inspired by hope
- acts to change an unjust world through charity
 - a practical love and care for our neighbours.

Our values:

- Love and solidarity
- Dignity and respect
- Justice and equality
- Cooperation and partnership

Our aims:

- Christian Aid exists to help those in need - regardless of religion, ethnicity or nationality. Through working with churches, supporters, volunteers and the wider community, we aim to strengthen the movement to eradicate poverty.
- Christian Aid recognises that it cannot eradicate poverty by itself. It participates in and promotes alliances, networks and coalitions.
- Christian Aid takes seriously its commitment to measuring impact and making a difference
- Christian Aid wants to be a leading force against global poverty that is a well-managed, flexible and professional organisation.

Our vision:

- When a community lifts itself out of poverty, everything changes. Poverty does more than exhaust, starve, trap and kill people. It destroys their sense of worth, limits their horizons, robs people of the chance to reach their full potential.
- Tearfund's call is to follow Jesus where the need is greatest.
- We long for new life and a new sense of worth for people.
- We do whatever it takes to end poverty and rebuild poor communities.
- We work through local churches, because they're Jesus' body on earth, ready to care for the whole person - and the whole community - inside and out.

We care about:

- THE GREATEST NEED: poor communities, marginalised groups, vulnerable adults and children
- LASTING LOCAL CHANGE: the local church, the whole person, community empowerment, education
- GLOBAL ISSUES: conflict, disasters, injustice, climate change
- LIFE'S ESSENTIALS: hunger, clean water and toilets, healthcare, livelihoods

How we work:

We're Christians committed to following Jesus where the need is greatest. God has called us to serve those living in poverty, regardless of race, gender, nationality or religious belief. We know the gospel has the power to transform lives and heal communities, we see this truth in our work every day. God isn't giving up on the poor, neither are we.
