

Our Computing topic for this half term is:

Digital Literacy: School networks

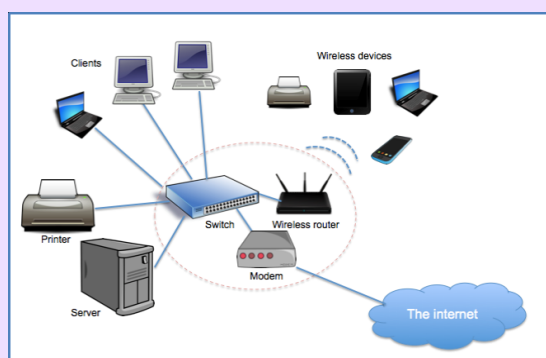

Think about what we have learned this half term.

Can you list 10 words that we have learned this half term?

Discuss with your partner, what they mean.

Today we are going to be summarising our knowledge on 'networks'.

We will be explaining what they are and how they work.

Let's make a plan together.

School Network	
Computer Network	
Internet	
Google search	

we
do
