What is a yearbook?
What information might it include?

I
do

Our yearbook will celebrate your time at Clayton St. John Primary School.

Everyone will have their own page to fill about themselves.

We will include a year group picture.

Trips

Awards/achievements

Mia

My first P1
transition day!

1st day of
school!

Me collecting a
prize giving award
in P6!

First day of P7:-)

Good bye Annanhill

Roan

One of my favourite memories was in primary 6. When the school football team got announced and I was a part of the squad.

Another one of my favourite memories was in primary 5 sports day when I came first in the sprint.

Last one of my favourite memories was in the award ceremony in primary 6 when I got most improved player of the year in the school football team.

The people that I will miss the most are Rhian, Jack M, Scott, Patryk and Ricardo.

Jack

Favourite thing about Annanhill was P.E and making friends.

Favourite memories were Dalguise and playing in the school football team.

I will miss playing games on the computer, friends that are going to other schools. Best friends I made- Rhian, Llayton, Harrison, Roan, Evan and Sophie.

My biggest achievement was being top goalscorer for the football team.

My aspiration for the future is to pass all my exams at Grange and become a firefighter.

When I go Into Grange I will miss all the teachers at Annanhill they have helped me all so much. I am so happy with all the amazing friends I have made at Annanhill and Iam looking forward to making new friends at Grange. My favourite memory at Annanhill is when I was in P5 and the weather was really hot and Miss O'Neill allowed us to put buckets of water over each other. It was so funny and cooled us all down!

Thank you to all the amazing teachers at Annanhill. I will miss you all very much.

During my 7 years at Annanhill I have made lots of memories and had many exciting experiences, boots lost in lakes, ferries to Belfast and hanging out with friends.

I have especially enjoyed taking part in Burns competitions and The Rotary Quiz

Thanks to all teachers and staff

I love Annanhill it is the best school.
All the teachers are very supportive.

In P6 we did topic but we
switched the classes every 2
weeks and it was fun and I will
miss it.

Swimming lessons were so fun in P7 and I hope
the next P7 enjoy it as much as I did.

I enjoyed doing the buddying,
it was a highlight of primary 7.

Dalguise was so much fun!

I enjoyed carol singing.

I have loved my time at Annanhill and I have met friends for life! My favourite part was when we went to Dalguise and a few people lost their shoes in the muddy river! Everyone was laughing. I will miss Annanhill but I will still see all my friends and teachers. Annanhill has been a blast, thank you for everything!
