we do

Review yesterdays work.

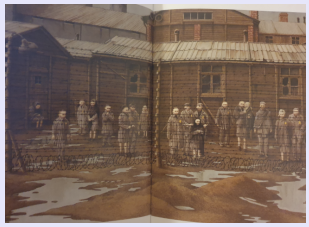

Verbally put the words/phrases in to a sentence.

Word/Phrase	Type of word/phrase	Effect on the reader

LO: to plan.

I do

?

What happened before?

1. What was she doing?
2. What did she see?
3. How was she feeling?
4. How did she get there?

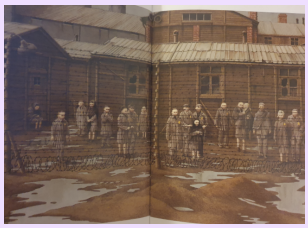

we do

Before Rose saw the concentration camp • What was she doing? • What did she see? • How was she feeling? • How did she get there?	sprinted across rutted tracks, fields pursuing a van branches scratched her face over ditches, dodged tree branches, climbed over barriers Determined, anxious - nausea, stomach in knots, heart began to race winding streets slowed her pace tired- legs ached, panting stumbled in to a clearing
