Monday

Today we are going to use our story plan that we created on Friday to write our own story. Below is my story plan that we created together.

Beginning	middle	End
There was a fairy who sold her rabbit for some magic carrots.	She climbed up a big rope to an ogre's tree top house.	The fairy cut the rope just in time.

Here is my story:

Once upon a time there lived a fairy. She lived with her friend pixie. The fairy had no money so she sold her rabbit for some magic carrots. Pixie was cross. She threw the carrots out of the window. A huge rope appeared. The fairy climbed the rope. At the top she saw an ogre's tree top house.She went inside and took a hen and a harp. She was chased down the rope by the ogre. The fairy chopped the rope down just in time and the ogre fell down.

Your turn: Use your story plan to write your own story.

Remember:

- Fred talk your words.
- Use finger spaces.
- Full stops.
