Good morning Year 6!

Match the vocabulary with the meaning:

startup	empty space
corporation	large company
hollow	something new
generate	enough
voltage	depends on
circuit	starts and finishes in the same placce
reliance	creates
sufficient	electric force

Try to include the words in a sentence.

Good morning Year 6!

Match the vocabulary with the meaning:

startup	empty space
corporation	large company
hollow	something new
generate	enough
voltage	depends on
circuit	starts and finishes in the same placce
reliance	creates
sufficient	electric force

Try to include the words in a sentence.

Reading strategy - how does this help?

1. How is it organised?
2. Are there distinct sections?
3. Are there illustrations that give you a clue to the content?

Read the text - take a sentence each (partner 1, partner 2)

Thinking Together:

What type of text are we reading?
How do we know this?
