## HOME LEARNING

*Look at the example below.*

Human Resources were all arrested when Cicada filed an official complaint to the police about his suffering at the hands of his colleagues. David Chapman, Executive of Human Resources, spoke on behalf of the team and denied the charges against them. He stated that Cicada was an obnoxious worker who had ideas above his station. He continued to explain that Cicada was known to be defiant when asked to do anything and there had been incidents in the past where Cicada played on his 'bug like' qualities to get his own way. However, the court were shown footage from CCTV inside the workplace which showed Cicada being cruelly victimised by his colleagues.
