"Please, you must let me take them. They will be no bother and I can provide shelter and food for them" Barney pleads.

"It is not enough; they must be taken with the rest of them. The boy is half dead anyway, what use is he to you?" Barney holds up his bag- he knows this is his last chance.

Inside....

"Please, I will not beg. If he dies, it will be for me to deal with. You don't want to be dealing with him."

The Nazi takes Barney's beard and twists it - snarling as he says "I don't want to deal with any of you. You are worthless to me." He glances at the bag again the slowly tightens his grip on Barney's beard before letting go and turning away.
