Dear Mum and Dad,

Thank you so much for the sign you sent - I knew straught away the carrot was from you! I caused a slight riot but it was nothing the nuns couldn't handle. Normally, if a carrot is found, it would be split between all the other children and the nuns so I kept this one safe in my pocket. Dodie (he's my sort of friend) could tell something was a bit off and offered to eat my soup for me. I couldn't let him do that but I did try to get him to the front of the bath queue! It didn't work but at least I gave it a go!

Will you recognise me? Sorry to be blunt but I'm twice as tall as I was when you left and I am a little concerned you won't know it's me! My notebook should help though, I've written all sorts of stories in the last 3 years and 8 months.
