she know what is going on?

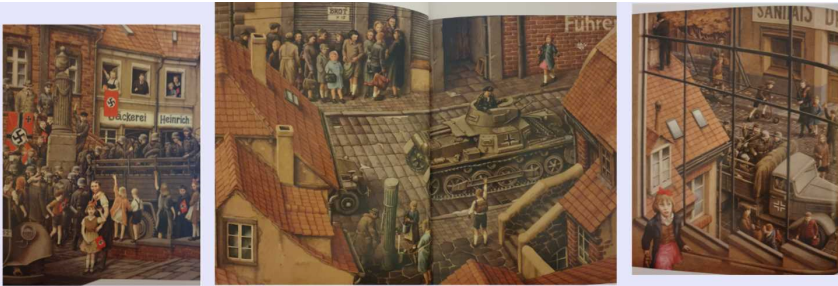

I
do

Doing?

Saying?

Feelings?

I do		Doing?
		Saying?
		Feelings?

In the center of a German town, **crowds gathered to celebrate** the sending off of German troops to war. Mother took me down so I could witness this event. **I stood, waved and cheered** to wish them luck. **A marching band played cheerful** music in the background and everyone **laughed and joked** with each other. **I felt safe and excited that the war could soon be over.** Old men **shouted their words of wisdom** to the new recruits and wished them well.

LO: to infer events and feelings.

you
do

Using the ideas we have put together, write the story of the images we have discussed.
