History

What were we fighting for in WWII?

Tell your partner 3 things you have learnt so far.

Use your knowledge organiser vocabulary.

we do

Where did WW2 take place?

Who was involved?

Glossary:

we do

- superior -higher in rank, status, or quality.
- invade -to enter as an enemy, by force, in order to conquer.
- occupy - to take or hold possession.
- expansion - becoming larger or more extensive.
- defend - protect from harm or danger.
- Allies -was the alignment of nations that fought in the Second World War against the Axis forces.
- Axis - was the alignment of nations that fought in the Second World War against the Allied forces.
- naval - navy
- declared - openly or formally asserted or announced.

I do

The Nazis believed that they belonged to a superior race and therefore, they had the right to take other people's land. Adolf Hitler planned to forcibly take back all of Germany's lost land as well as capture parts of other countries. He started to invade other countries in 1938, by sending soldiers to take over, or occupy, Austria and parts of Czechoslovakia, which is now split in to Czech Republic and Slovakia.
