Today we are planning what will happen at the beginning, middle and end of our story.

Beginning	Middle	End
Once upon a time there lived a fairy. She had no money so she sold her rabbit for some magic carrots.	She climbed up a big rope to an ogre's tree top house.	The ogre chased her down the rope. The fairy cut the rope just in time.

Can you draw or write what will happen at the beginning, middle and end of your story?
