22nd February 2021

Dear Parent/Carer

As part of the National Curriculum Design Technology objectives, Year 5 will be evaluating and making artisan bread. We would like all learners (whether that be at home or in school) to be able to take part, therefore we would appreciate you filling in the form below.

This will take place over a full day (Friday 5th March) and all theory and learning videos will be uploaded onto Google Classroom.

Please return form below by Friday 26th February. We really appreciate your support with this, we would love for all our children to take part in this activity.

Thank you in advance,

Year 5 Team
