L.O: To create a geometric art using Inkscape

Inkscape

After signing in, click Windows and type 'ink' and select the app

You Do

Look at your geometric art that you created a couple of weeks ago. Can you recreate it on Inkscape.

Once complete, save your work file at:

Scratchpad (X):

\Year 5

\2020 - 21

\5 Green (5 Blue class will choose the 5 Blue folder)

\Geometric images - Summer 2

\Own Design 05.07

Make sure you put your name in the file
