Wednesday

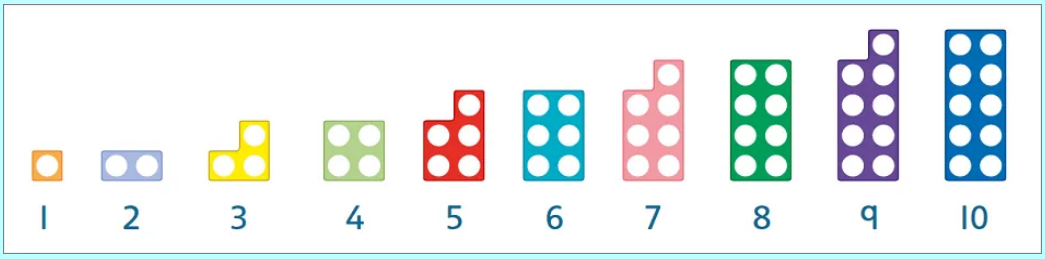

LO: To identify number bonds to 10.

9 + 1 = 10

Each of the numicon pictures above shows a different way to make a total of 10. Can you write the correct number sentence shown for each. The first one is done for you.

What other ways can you think of to make a total of ten? Look at the numicon pieces below to help you.

Write as many different number bonds to 10 as you can think of.
