LO: To create a timeline of Early Islamic Civilization

In Summer 1, we will be reading 'Early Islamic Civilization (The history detective investigates)' by Claudia Martin. This book will help us discover the origins of Islam and discover the Golden Age of Islam which started in Baghdad.

We will use this book to inspire us to write a short story about a child living in the Golden Age of Islam and about life in Baghdad during this time.

Stick the book title in your books

ABCDEFGHIJKLMNOPQRSTUVWXYZ

Early Islamic Civilization - The beginnings

Partner 1, read the first chapter of the book

Partner 2, on your white board note down all important dates and what happened at that time

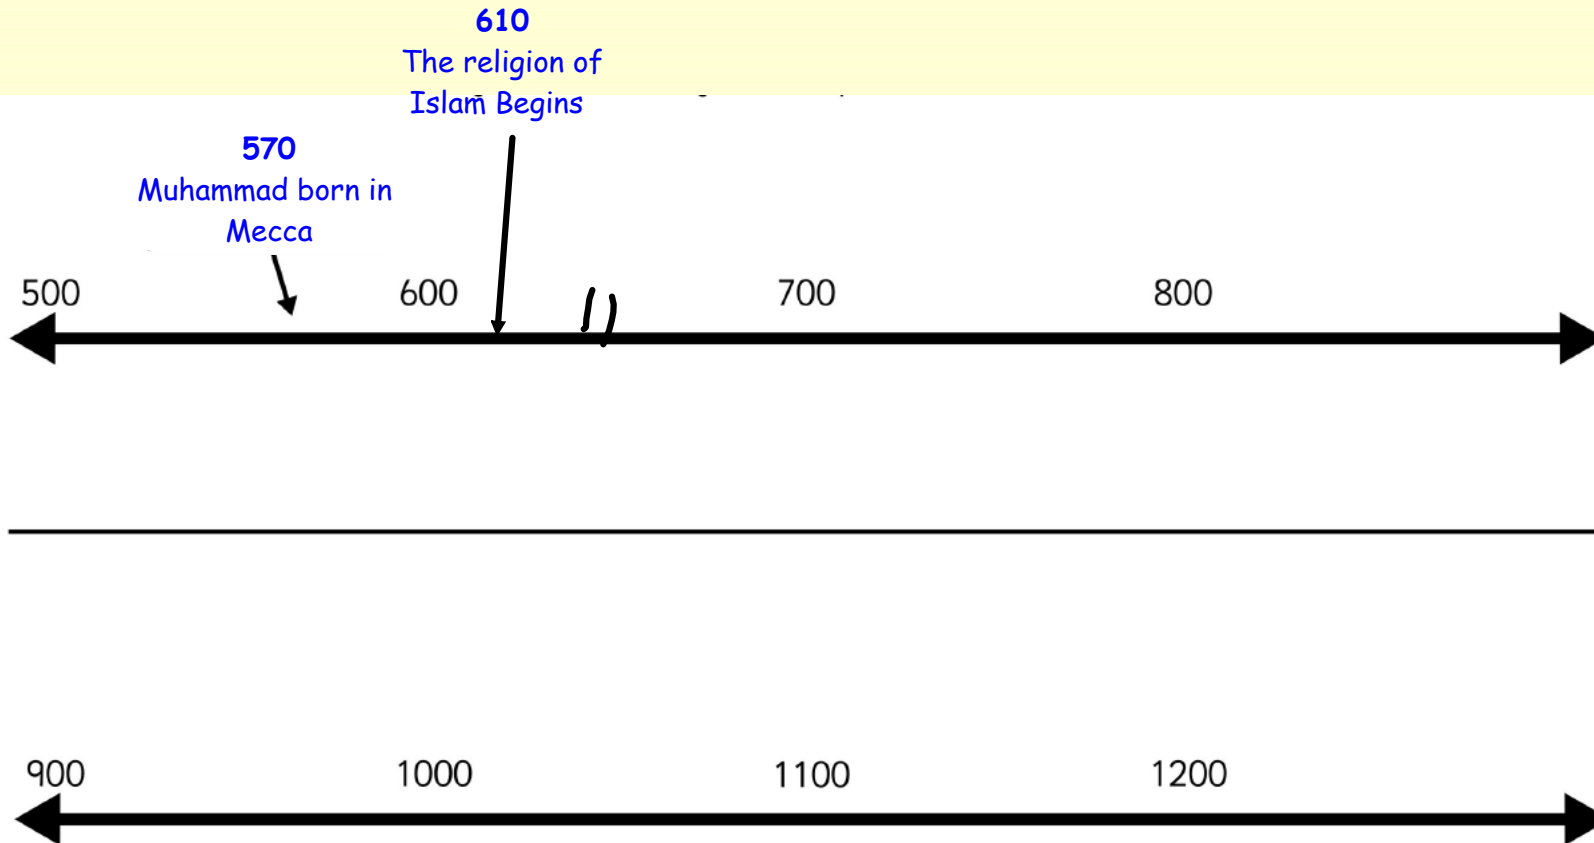

Swap roles for chapter two

I will pick names from the jar to ask you for dates to update the timeline
