Thursday

Today your task is to edit and improve the story you wrote yesterday. You need to do the following:

1. Read your story and underline all the red words using a red crayon. If any of your red words are spelt incorrectly can you practice them.

2. Check that each of your sentences make sense. If not then can you rewrite the incorrect sentence.

3. Check you have put a full stop at the end of each sentence.

Finally if you didn't illustrate your story yesterday then you can draw a picture to go with your story.
