L.O: To use evidence to persuade.

Re-read all the supporting evidence that you highlighted yesterday.

Do you think humans have a right to be on Mars?

Use the evidence from the text to

I do

persuade someone who thinks the opposite to you.

I think that humans \_\_\_\_\_ have the right to be on Mars because in the text it says \_\_\_\_\_.

I also think that \_\_\_\_\_  
because it says \_\_\_\_\_

Split the classroom into 2 - those that think Yes and those that think no.

Persuade the other team to think like you!

Will you be successful and make anyone change their mind?
