Monday: Can you count backwards from 10? Can you count backwards from 20?

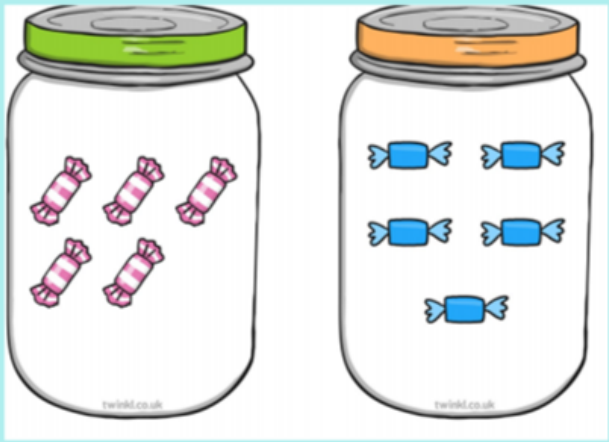

Which has less? Tell your grown up which has less?

A B

A B

A B

Can you explain how you know which has less?

1 of 6

Tuesday- Can you count backwards from 10 and 20?

What number comes before?

3 7 10

8 13

Tuesday- Get 2 plates. Find some objects like lego bricks, pasta shells or pens.

Put some objects on a plate.

Can you put less on the 2nd plate?

Wednesday- Practise saying your numbers to 20.(ask a grown up to write numbers on paper and turn them over. Say what you see)

Use your number cards to play a game with your grown up. (Don't throw your cards away you will need them again tomorrow.

Take turns to turn over a card and say which is less.

Thursday- Number flashcards

Turn over your number cards and say the number that is 1 less. This is the number that comes before (You can do it for numbers to 10 and then challenge yourself to 20).

Now Watch the video to play number tennis with Mrs Poor, finding the number 1 less.

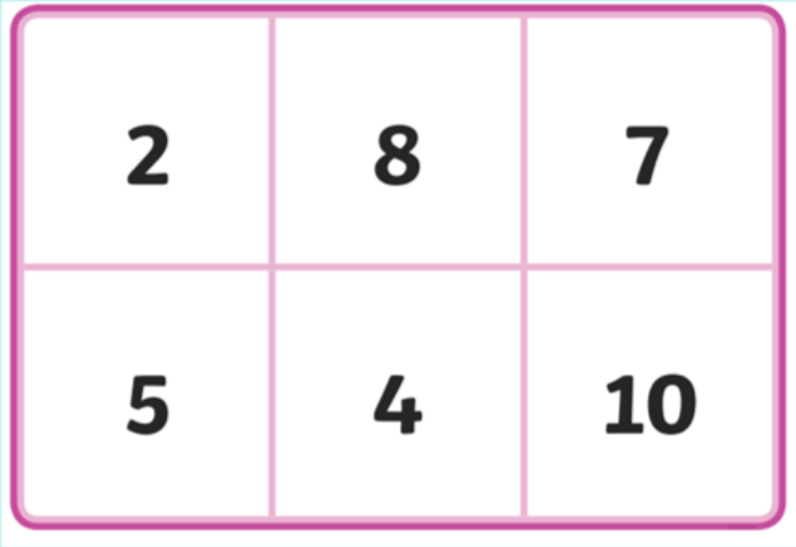

(you will find this on the class page for WC 9th Novemeber)

Friday- Number flashcards.

Practise saying your numbers by turning over the cards you made (numbers to 20)

Can you say the number 1 less?

Bingo!!!!

You can draw your own bingo boards on paper and turn over your number cards.
