Reading: Christian Eriksen - How did CPR and a defibrillator save his life

chriseriksen8 🟦 Hello everyone
Big thanks for your sweet and
amazing greetings and messages from
all around the world. It means a lot to
me and my family. ❤️🙏
I'm fine - under the circumstances. I
still have to go through some
examinations at the hospital, but I feel
okay.

Now, I will cheer on the boys on the
Denmark team in the next matches.
Play for all of Denmark ok
Best
Christian

Why is it important that everyone understands cardiac arrest and importance of CPR and defibrillator?

Let's read the text again

Partner 1 start reading the text while partner 2 follow the text with the ruler.

As you read highlight any information you can use for your argument.

Can you recall information from any other text you may have read that can help your argument

Convince me!

Why is it important that everyone understands
cardiac arrest and importance of CPR and
defibrillator?
