L.O: To describe how Christians believe God is loving and holy.

How do Christians show that God is loving?

Read the texts again

'1 JOHN 4:7-12 and Psalm 103.'

What do David and John say about God's nature as a forgiving God?

Highlight the information as you read along.

Christians do not all agree about what God is like, but try to follow his path, as they see it in the Bible or through Church teaching.

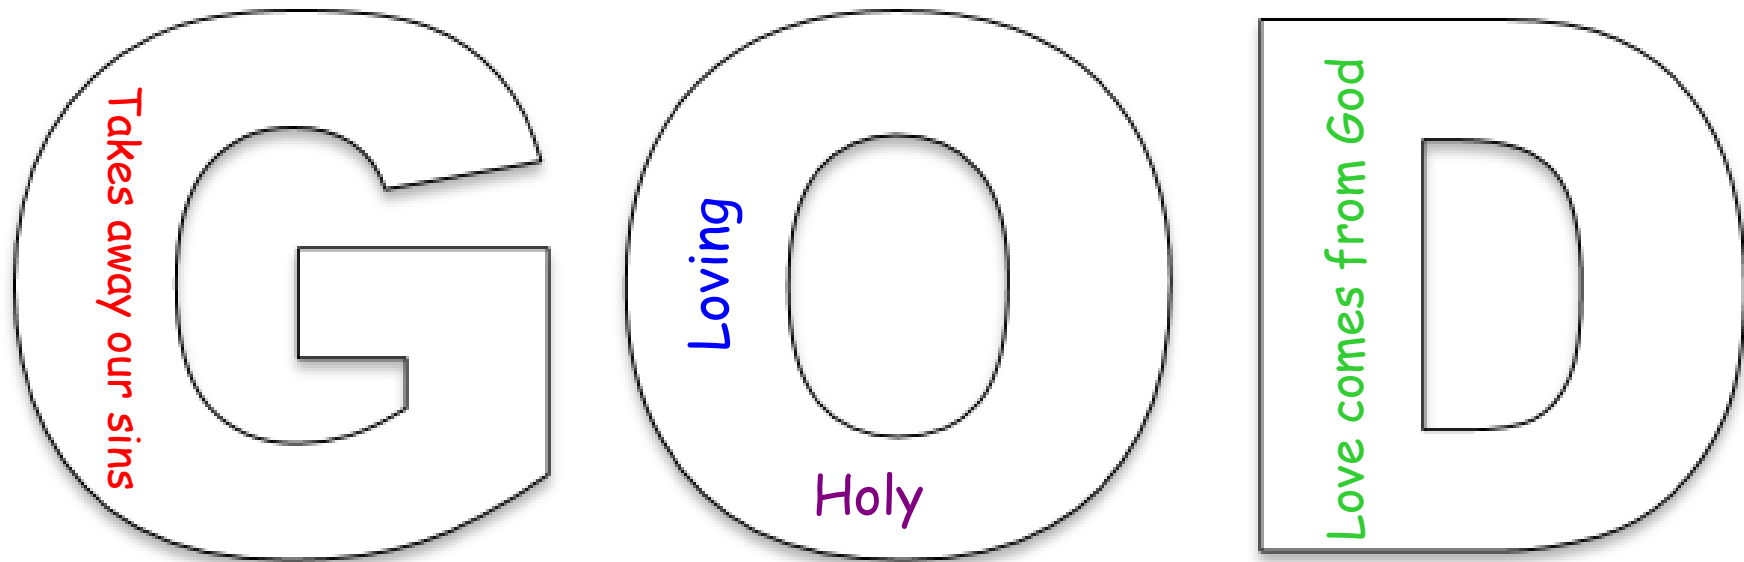

Let's reflect on all that we have learned about God and what Christians think God is like.

We are going to use these words/ phrases to create some artwork.

Within the outline of the word God,

I do

write all the words and symbols we have learned to show what Christians think about God.

We do - With a partner, come up with 3 more words/symbols.

You do

Fill the word *God* with words, phrases or symbols to show how Christians think *God* is loving and holy.

You can use different colours or writing but it must be neat and readable!
