

[illegible]

Roll the dice 5 times.

Round the number to the nearest:

10

100

1000

STARTER

0 8 . 1 0 . 2 0 2 0

LO: To subtract

1) _____ tens = 1 thousand

2) $4,102 - 2,510 =$ 3) $738 - 461 = 337$

In which place value column in the answer
is there an error?

4) $3,217 - 464 =$

1) 100 tens = 1 thousand

2) $4,102 - 2,510 = 1,592$

3) $738 - 461 = 337$

In which place value column in the answer
is there an error?

Tens column

4) $3,217 - 464 = 2,753$

POWERPOINT TIME

A family has £22,658 in the bank.
They spend £3,600 on a holiday.
How much money do they have left?

It is 10,553 miles from London to Sydney.
It is 9,929 miles from New York to Sydney.
How much further away is Sydney from London than from New York?

Challenge

Mr Hall has written these subtractions on the board.

$45,541 - 25,865$

$68,945 - 34,758$

Rosie's workings

25865

- 45541

20324

Whitney's workings

68945

- 34758

34213

Explain the mistakes that Rosie and Whitney have made.
