

Help Santa return the colour to the North Pole!

Those clumsy elves have been at it again! This time they've knocked over a whole jar of magic dust and now all the colours in the North Pole have disappeared! Everything is in black and white and Santa has no idea what colour anything is! Can you help Santa return the colour to the North Pole?

11

In order to help Santa, you must work out the answer to each question below. The question number will tell you which part of the picture you need colour. The column the correct answer is in will tell you the colour you will need to use.

	Question	GREEN	RED	YELLOW	GREY	WHITE
