L.O: To order key events.

What happened in the last days of Jesus' life?

Stations of the Cross

The stations of the cross are a series of images showing Jesus Christ on the day of his crucifixion.

Let's check our
Knowledge organisers!

Read the text ' Stations of the Cross.'
These are short summaries of events that
happened on the day of Jesus' crucifixion.

Go around the room and look at the different images. With a partner, can you infer which event matches each image.

Look carefully at the image.

Take your text with you.

Now order the images and match I do to each event. Explain your reasoning.

I think this is representing ~~the agony in the garden~~ because in the picture it shows ~~Jesus praying~~ and ~~Peter, James + John~~

Now order the images and match I do to each event. Explain your reasoning.

I think this is representing 'The Agony Garden.' I think this because in the text it says that Jesus took 3 men (Peter, James and John) with him. In the picture you can see Jesus praying with 3 men behind him.

We do

I think this picture represents 'Jesus is betrayed and arrested' because the text tells us that Jesus is surrounded by guards and we can see this in the picture.

Order and name all the images from the 'Station of the Cross.' Choose 5 images to explain your reasoning for choosing them.
