1. Why was Refugee Week started?

Refugee Week was started because there was a lot of negativity about refugees and people in the UK thought they were just coming here for the financial benefits and housing.

2. What word tells us that people already living in the UK did not show refugees much understanding?

The word 'ignorance' tells us that people living in the UK did not show refugees much understanding.

3. What do the organisers of Refugee Week ultimately want for refugees?

The organisers want to 'create better understanding between different communities and to encourage successful integration'.

4. How do you think refugees contribute to the UK?

Explain your ideas.

Refugees could introduce people in the UK to different foods, a different language, artistic or design ideas and skills. They can teach us about the traditions in their country and different religious beliefs.

5. How do you think a refugee might feel when arriving in a new country?

A refugee might feel frightened, confused, scared, unwelcome or homesick when getting to a different country.

6. Why do children need to learn about refugees?

Children need to learn about refugees because they will make decisions about important issues like refugees in the future, when they are grown up. They need to have a good understanding of refugees for everyone to live together in harmony.
