L.O: To describe how the nature of God is revealed in architecture.

How do Christians show that God is holy in
the architecture of a cathedral?

Let's recap by reading 'Leviticus' again.

Can you match up the following statements?

Leviticus is a book in the Old Testament of the bible. In this book, God lays out to Moses the 'law of the priests.' God is holy and can only be approached by priests following strict rules.

This image is a replica of the *Tabernacle* or tent. It was a portable place of worship. Only the priests could enter the Tabernacle and come into the presence of God.

2. Christian churches are built in the shape of a
3. What is the purpose of a rood screen?
4. Where would you find 'The High Alter?'

I do

We are going to add captions to pictures of the York Minster explaining how the nature of God is presented in the architecture.

As you walk through, the stain glass windows would let the sun shine through. The vaulted ceilings would be tall and reach up to the heavens. This would make you feel like you have arrived in Paradise.

We do

Stick the picture below into your book and give it a caption. Describe how the nature of God is revealed in this architecture. Complete this in pairs.
