PSHE - First aid and accidents

LO: To develop the basic skills needed to respond in an emergency.

<https://www.youtube.com/watch?v=ZxzewVTDas0>

Name some events which we would class as an emergency.

What should we do in these emergencies?

Complete your activity sheets.

Circle each hazard and explain why it could be a danger to the FIRST AIDER.

Think about what you could do to avoid the hazard or solve the problem without putting yourself in danger.

What hazards did you spot?

What steps could you have taken in these situations to keep yourself safe from any danger?

Back to powerpoint

Numbers to remember.

999

Emergency

111

*national
non-emergency
medical number*
