History - transport

How have developments in transport changed the way we live?

LO: To create a timeline of travel throughout history.

How many different modes of travel can we think of?

We
do

Read the text.

Make notes about transport throughout time.

I
do

Read the text.

Make notes about transport throughout time.

We
do

Watch the below clip. Make notes of all the different forms of transport you see.

<https://www.youtube.com/watch?v=FaLCQo8NJFA>

Many new transport developments were made during the Industrial Revolution in the Victorian era. Watch the below clip. Make notes about the order of the developments

<https://www.bbc.co.uk/bitesize/clips/z4fvr82>

Research using the text and the Ipads to create a timeline of the developments in transport.
