

Wednesday 2nd December 2020

English - Flight

LO: To summarise key points.

Catch up!

Now, read chapter 2.

Once you have finished we are going to play 'ping pong' with facts from Chapter 2.

Ping Pong

Pupil vs Mrs D-W - state a fact, I will state one back.

We will ping pong our facts from chapter 2 until someone runs out of facts or repeats a fact!

Class to make notes of facts. These will be written onto cards and added to working wall.

Early life

- Wilbur and Orville had two older brothers Reuchlin and Lorin. They had a younger sister Katherine.

Teacher: Log in to Kindle Cloud Reader and read Chapter 3 of the text on the IWB.

I

do

We cannot use all of the information from Chp 3 in our biographies, so we need to summarise.

First, I need to list the key events.

Then I am going to write a summary of the first part of chapter 3.

Teacher key notes

Orville started a printing press age 12.

The brothers ran a bicycle business together.

They began to make a lot of money.

With your partners write a summary of the next part of chp 3. Remember you will need to list the key events first. Give your summary a subheading like we practiced yesterday.

When you are done we will discuss and tighten our summaries!

Teacher:

Write yours and the childrens key notes on card to be displayed on the working wall.
Write the 'I do' summary paragraph onto flipchart paper to go onto the working wall.

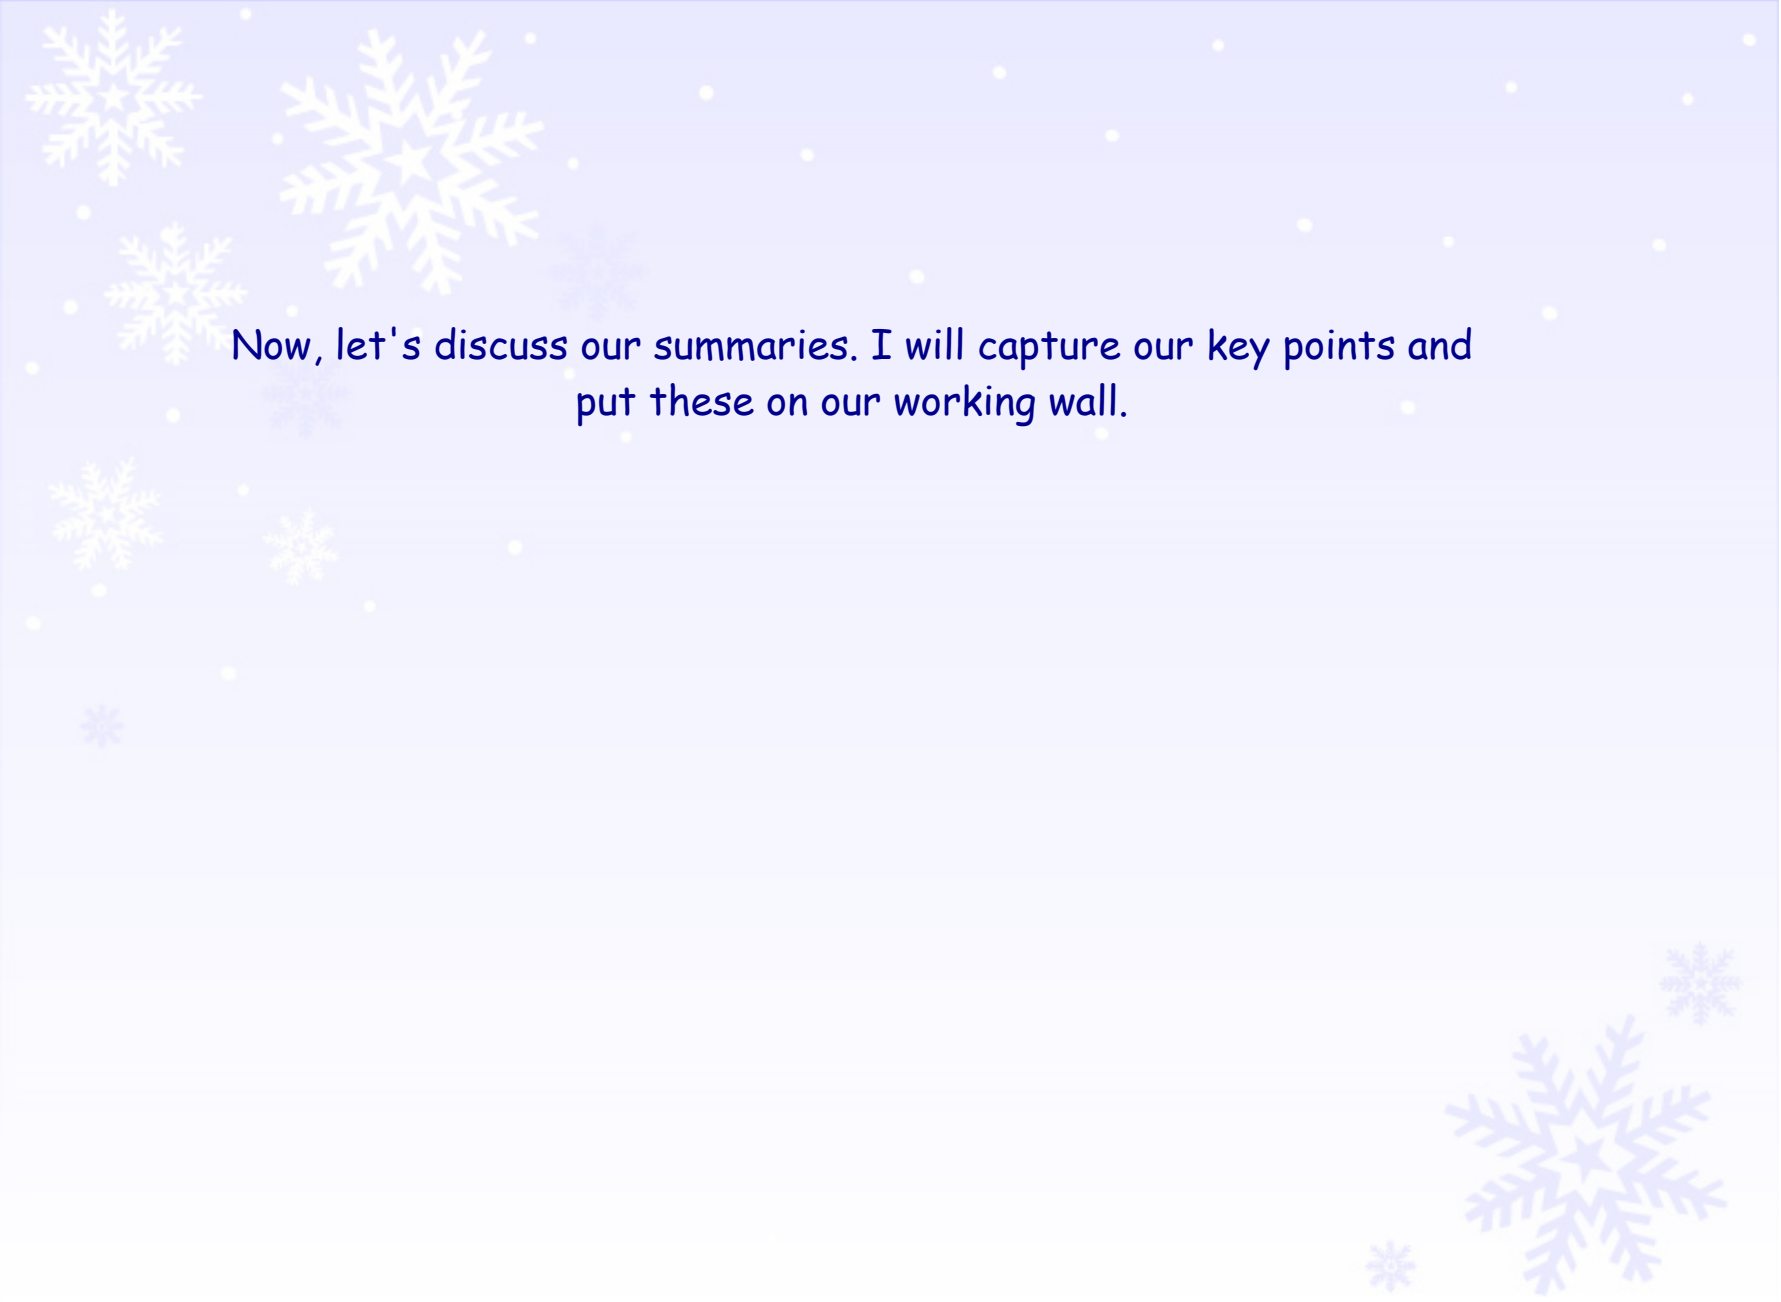

We
do

Summarise the rest of Chapter 3. Remember to find the key events.

You
do

TOP TIP:

Now, let's discuss our summaries. I will capture our key points and put these on our working wall.
