L.O: To write a diary entry/Account
of a day spent in nature

We do

- Building a stickden in Ogden with my Uncle Ollie and then eating our bread sandwiches inside. It was an amazing birthday!
- I remember going to Shipley Ogden and crawling through a gap between two rocks.

You do

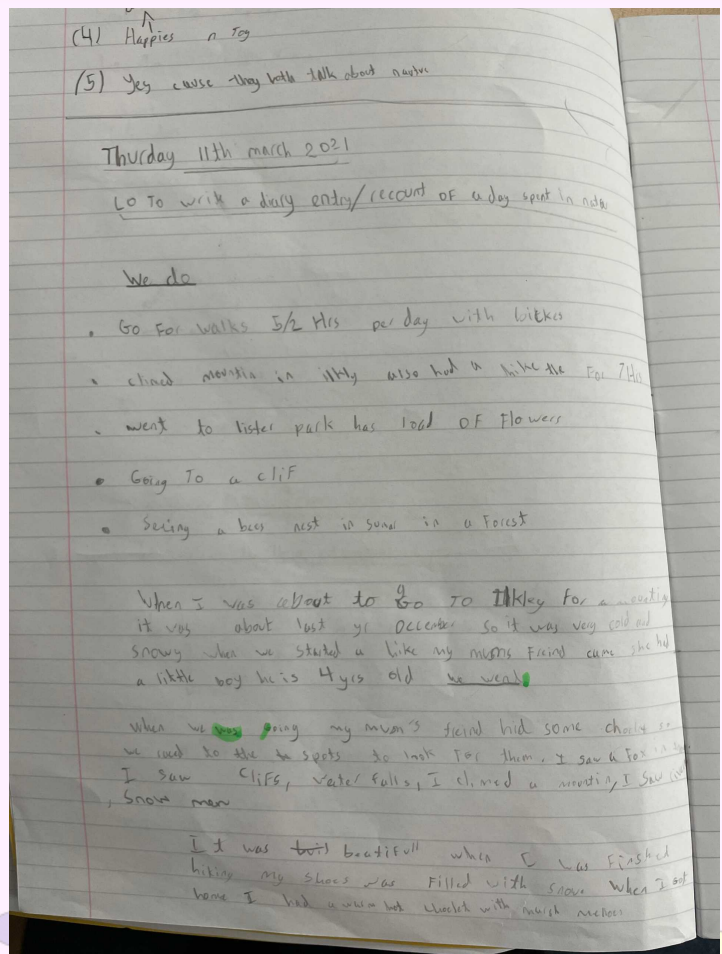

So I had woken up very excited on a certain day (22nd January 2019) and went downstairs to eat some Birthday Pancakes and my Uncle Ollie had come in to pick me up and take me to Ogden Waters! So my Mum packed me a packed lunch and we went to my Uncle Ollie's house so he could make his because he had forgot! Finally we set off to Ogden and started walking up to the rocks on the hills. I guided him to a place me and my dad called 'Picnic Rock' but we didn't eat on the rock. We gazed down at all the trees and clear waterfalls before eventually setting our eyes on the huge lake it was most known for. Then we walked

We are going to write our own lyrical poems today.

We are going to use some of the techniques that both Wordsworth and Coleridge used in their poems.

Instead of Daffodils, we are going to write about another Spring time poem - bluebells!

Thinking
Together

How might we describe bluebells? Write some ideas on your whiteboard and we will discuss.

Write the first verse of your poem. It should be four lines long
and made up of two rhyming couplets (AA,BB)

I
Do

I took a journey through the wood
to seek and find all that I could.
I glanced above, I glanced below
I was surrounded by the bluest show!

Complete the first two sentences below for the second
verse of your poem. Again, this will be two rhyming couplets
(CC,DD)

We
Do

Bluebells surround me everywhere,
they gently sway _____

Complete writing your lyrical poem about Bluebells.
In total it should be 4 verses long (you can write more if you have time).
Each verse should be 4 lines long and be made up of two rhyming couplets.
You need to include some of the features Wordsworth used in his poem
(personification, metaphor, simile).
