LO: To identify why major cities are located near rivers and seas.

Starter:

Circle the things the Anglo Saxons looked for when finding somewhere to settle:

High land

Beaches

Forest

Empty fields

Water sources

Our key question this half term is:

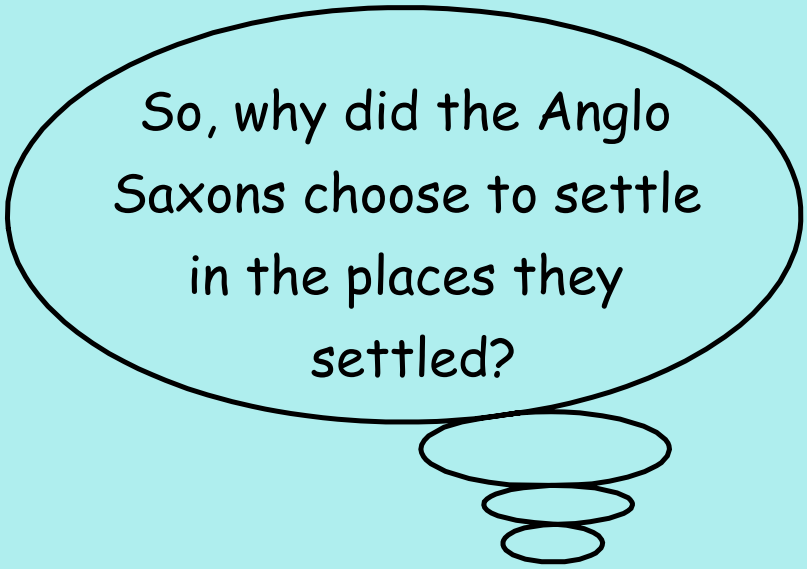

That means we are going to be:

- Examining how the Anglo-Saxons travelled to England

- Researching where they traveled

- And investigating why they settled where they did.

Last lesson we looked at some of the places where the Anglo-Saxons lived, and what features were in those places.

So, why did the Anglo Saxons choose to settle in the places they settled?

The Anglo-Saxons chose to settle in Yorkshire because...
